Subject: PM Transmittal info_ README First
Attachments: README First -PM ISA Charge to CASACdocx.docx

Hi John,

The following two items for the PM transmittal are attached to this email.

1. README first: The instructions for how to create a HERO account. The attached version is updated for PM and is based on the version we most recently used with the NOxSOxPM 2nd draft release on June, 26, 2018
2. Website link to PM ISA: Jason is going to send those to you directly in a second email.

I think that covers it. Please let us know if you need anything else.

Tara
